EDUCATION

B.Tech in Electronics and Communication Engineering, GMR Institute of Technology GPA: 8.92
'23 – Present | Rajam, India | B.Tech (Honours) in System-on-Chip Design

Intermediate in MPC, Sri GCSR Junior College Percentage: 95.2%
'21 – '23 | Rajam, India

INTERNSHIPS

Intern, Abhyasa Semicon Technologies Private Limited Jul '25 – Dec '25
Visakhapatnam, A.P., India

- Completed a six-month internship where I learned Verilog, SystemVerilog, and UVM fundamentals.

Intern, Abhyasa Semicon Technologies Private Limited Jun '25 – Jul '25
Visakhapatnam, A.P., India

- Worked as a VLSI intern, learning the fundamentals of VLSI design and Verilog HDL through practical training sessions and hands-on exercises.

PROJECTS

- UART Protocol System** — Implemented and simulated a UART protocol in Verilog HDL using Quartus Prime, focusing on transmitter and receiver modules with baud rate control.
- Smart Road Monitoring System** — Designed using ESP-32 and sensors to detect potholes and obstacles on a road surface in real time.
- Library Management System** — Built in Java to manage book inventory, member records, and book issue/return operations using object-oriented programming principles.
- Hotel Reservation System** — Java-based system to manage room bookings, customer details, and reservation records efficiently.

SKILLS

Programming Languages: Verilog, Java, Python

Tools & Platforms: Xilinx Vivado, Cadence Virtuoso, VS Code, Jupyter Notebook

Soft Skills: Problem Solving, Team Collaboration, Communication Skills

Interests: Public Speaking, Learning Emerging Technologies

Languages: English, Telugu, Hindi

CERTIFICATIONS

- Demux and Mux using IBM Quantum (IFERP) — Publication
- 8051 Microcontrollers — Udemy
- Sensors, Actuators & IoT Unleashed — GMR Institute of Technology
- Deep Learning, Affective Computing — NPTEL
- Introduction to Generative AI — Coursera
- Python Programming Skills (Basic) — Codio

VOLUNTEERING

- Coordinator, ISTE — At college (Present)
- Radio Jockey, FM Radio (90.4 MHz) — At college (Present)
